***Meets run with manual timing DO NOT appear in the rankings in which case I will verify if you send me the meet results, if full results sent include event number***

Members who are dual/multi registered may have swum at a meet for a club not affiliated to Hampshire, BUT will still appear in the British Rankings under the Hampshire Rankings if ASA Membership is paid to a Hampshire Club

The conditions for claiming a record states 'The claimant must have competed for a Club or Organisation affiliated to Hampshire' i.e. the results must show that you competed for your Hampshire Club or Organisation

***All swim times are collected off of the Rankings and NOT from Open Meet Results, I do not know who has competed at which meets.
